

RACING GAME GETS SEVERE SETBACK

Probable Cut in Purse Stakes
Now Under Wide Discussion.

CHANGES ARE FELT ALREADY

Sport Can Be No Longer Conducted on "High Plane," Says Brighton Beach Association.

New York, June 17.—The unsettled condition of racing in New York has caused horsemen to consider of supreme importance the plans of race tracks which have meetings to follow the Graveland races. It is assumed that the Brooklyn Jockey club, under the decision of F. J. Dwyer, will finish its meeting without reduction of purse stakes, but a cut in the statute Sheephead bay purses is generally expected, though the Sheephead stakes will be run as they have been announced. The matter of the value of the purses at Sheephead bay will be decided at a meeting of the governors of the Coney Island club this morning and the expectation is that the added money for the overnight races will be reduced from an average of a little more than \$1,000 each to about \$600 each.

"HIGH PLANE" TREMBLES.
The Brighton Beach racing association also came in for much attention from horsemen, in view of circular letters that the association has prepared for the nominators of horses engaged in stakes at Brighton Beach. The circular is as follows:

"The recent repeal of the Percy-Gray law has made it doubtful whether racing can be continued in the state of New York on the high plane which it has occupied for many years.

"This association intends making every possible effort to keep the sport alive and with that end in view we ask you to assist us by signing the enclosed consent, permitting us, should necessity arise, to modify or withdraw any stakes of this association already closed."

SOME EFFECTS ALREADY.
The consent mentioned is an agreement to accept the decision of the association in either the cancelling of stakes to be run or the reduction of values in proportion to the amount added. In addition to the doubt thrown on the stakes already closed the Brighton

ton Beach association announces that of four stakes, the Trumpp, Sunshine and air, to use an expression of the track. Undergraduate for two-year and the handily steeply chase, which had been advertised to close on June 15, were abandoned before the date of closing. The Brighton club having notified the jockey club of its intention to give up those events late last week.

BRIGHTON GAME SUFFERS.
The most important fixtures of the Brighton racing which thus are made so doubtful that horsemen already have given up any idea that they will be run are the \$20,000 irrigation handicap, \$7,500 added, at the summer meeting, and the \$30,000 Brighton produce and the \$10,000 Brighton race in the fall. C. J. Fitzgerald, president of the Brighton association, said that it was the purpose of the club to assist largely in the view of the changed conditions the club did not feel that it would take the risk of racing with the cooperation of horsemen Mr. Fitzgerald said the Brighton association would conduct the best meeting that it possibly could under the existing circumstances.

BICYCLE WAR FAR FROM SETTLEMENT

The bicycle war remains up in the Manager Redman of the Salt Palace has the men bound on honor to race there tomorrow evening. Just what will happen Friday is not known. Meetings have been held but they have come to naught. Frank Gardner, representative of the N. C. A., is out with no definite statement. It is a peculiar and unsatisfactory condition of things. The game is going to suffer unless cool heads assume charge of affairs and it does not appear the riders are following any good heads just now. When last night's race was run the crowd from the track, side fences had been broken open and men, distributing rain checks, were brushed aside. Hundreds did not get checks because of their haste.

OGDEN SIGNS PITCHERS.

Ogden has signed "Maggie" Murphy and Spangberg for the coming season and also the decision of the association in either the cancelling of stakes to be run or the reduction of values in proportion to the amount added. In addition to the doubt thrown on the stakes already closed the Brighton

WALK 2,450 MILES IN ONE PAIR OF SHOES

REMARKABLE FEAT OF WM. JACKSON AND R. T. HAY IN THEIR SEATTLE TO CHICAGO TRIAMP.

Shoes Worn by These Pedestrians Were the Product of F. Mayer Boot and Shoe Company, Manufacturers of the Renowned Mayer Milwaukee Custom Made Shoes.

CAPTURE A \$1,500 PURSE

The Men Who Made the Trip.

Over mountains and through snow, through wet, slush and mud, freezing at times and oppressed by heat at others, William Jackson and R. T. Hay, two sturdy Scotchmen, walked every mile of the way from Seattle to Chicago, just arriving within a few hours of the time limit, thereby winning a purse of fifteen hundred dollars given by the Seattle Athletic club for accomplishing this feat within the prescribed time.

Jackson and Hay left Seattle with but five dollars in money and were obliged to earn their way as they went and leave no unpaid bills, and complete the journey in 90 days.

As the Shoes Looked After the Journey

An interesting fact in connection with this walk was that but one pair of shoes was worn by each of them on the 2,450 mile journey, and that they never ripped or lost a stitch during the entire trip. The shoes worn in this contest were made by the F. Mayer Boot and Shoe company, Milwaukee, who have established a great reputation throughout the country as manufacturers of the highest type of quality shoes, in consequence of which, the business of this house has had a phenomenal growth. Nine thousand pairs per day is the present capacity of the Mayer factories.

As a matter of contrast, and to show that there is a marked difference in the qualities of shoes, while Hay and Jackson completed their 2,450 mile trip in a single pair of shoes that were practically intact at the end, J. T. Sutherland, another pedestrian, who had reached Owosso, Mich., on a coast to coast walk, had worn out thirty-one pairs of shoes on his journey up to the time of his arrival in Owosso.

Leading brands manufactured by the F. Mayer Boot and Shoe company are the Honorable for Men; Leading Lady, for women; Martha Washington Comfort Shoes; Yarnat Cushion Shoes; Special Merit School Shoes.

AUTOISTS ORGANIZE BUZZ WAGON CLUB

W. E. Macarone of the Motor Field has been promised the aid of 100 car owners in his movement to organize a permanent auto club in this city. J. E. Jennings is chairman and C. R. Pearsall, secretary and treasurer of a temporary organization. It is expected the permanent club will be effected this week. The road to Lakoon will be fixed up and other roads put into condition for the buzz wagon. Some of the auto owners who have signified their willingness to boost the game are: J. Brown, L. L. Savage, Harold Lamb, P. J. McKeath, J. D. Kendall, J. E. Jennings, H. V. Lane, C. A. Quigley, R. H. Pinkerton, D. B. Kayser, Jacob Morris, Walter L. Maas, Dr. G. Proutz, Edwin G. Woolley, Jr., J. GRAND OPENING OF NEW RACE SAUCER

Announcement is made that all riders in the city will compete in the program arranged for Saltair this evening. This new saucer—the second for Salt Lake—has been put into shape for tonight's opening. The track is 10 laps to the mile—two shorter than the Salt Palace track and with higher and steeper banks, thrilling races are to be expected. The total seating capacity is 7,000 in being

enclosed, the saucer is a coliseum and in this way protected from the elements. Another feature in the tunnel which goes below the track into the center circle. This avoids traffic over the racing path.

Among other things, tonight's program includes a handicap race in which \$100 is the first prize and \$35 will be given for each lap. This ought to coax the pedal pushers to their best. T. M. Sammon and R. Whalley will start with rate again in a five-mile motor race. Trains will leave for the salt saucer at 8:30, 9:15, and 9:45 o'clock. The races will start at 8:30 o'clock and a train will leave 15 minutes after they come to an end.

RAIN STOPS RACES.

A sudden downpour; a rush to the gates; rain tickets for tomorrow night. This is the story of last night's Salt Palace races. What was to have been a great success because of fine weather, to reign this evening. The races were started before a large crowd which risked rheumatism in sitting on damp benches, and in many cases, when the downpour came it was seen there was no use in trying to beat the weather man at his own game. The crowd came upon in anything but a happy mood. Ogden races were stopped Monday night by rain, too, so it is highly probable the only racing proposition in this city nowadays is a non-leaking roof.

HORSE RACES JULY FOURTH.

(Special to the "News").
Ogden, June 17.—At the Fourth of July, a fine program of horse races is being arranged and in which some of the best horses of the state will be entered. Purse aggregating \$500 will be put up. The program will be announced within a few days.

OGDEN SAUCER PROGRAM.

Ogden, June 17.—The management of the Ogden saucer track has announced the program for Monday night but owing to the wet condition of the track the races had to be postponed. The feature of the evening will be a match race, best two out of three, between Sammon and Downing. They will be followed by a race of Australia.

In addition to the match there will be:

Three-mile open lap, professional.

One-mile handicap, professional.

Two-mile lap handicap, amateur.

One-mile handicap, amateur.

Are You Sick?

Much sickness is due to a weak nervous system. Yours may be. If it is, you cannot get well until you restore nerve strength. Your nervous system is nature's power house; the organs of your body get their power from it. If the power is not there, the action of the organs is weak, and disease (sickness) follows. Dr. Miles' Nervine cures the sick because it soothes the irritated and tired nerves and gives the system a chance to recuperate. Try it, and see if you do not quickly feel its beneficial effect.

"I was given up to die by a leading doctor. Got one of Dr. Miles' Nervine and found that Dr. Miles' Nervine fit my case. From the very first dose I took I got better. I am better now than I have been for years, and do all my own work on the farm. That's what Dr. Miles' Nervine has done for me, and I am glad to recommend it to others."

JOHN JAMES, Riverton, Neb.
